GENERAL PROXY INFORMATION

Solicitation of Proxies

This solicitation is made on behalf of the management of the Corporation. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors, officers, employees or agents of the Corporation. Pursuant to National Instrument 54-101 *Communication With Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of Common Shares. The cost of any such solicitation will be borne by the Corporation.

Voting of Proxies

All Common Shares represented at the Meeting by properly executed proxies will be voted and where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the proxy will be voted in accordance with such specifications. **In the absence of any such specifications, the management designees, if named as proxy, will vote FOR of all the matters set out herein.**

The enclosed form of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters that may properly come before the Meeting. At the date of this Information Circular, the Corporation is not aware of any amendments to, or variations of, or other matters that may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management of the Corporation.

Appointment and Revocation of Proxies

The information provided in this section applies to Shareholders who hold Common Shares in their own name and have a share certificate or direct registration system (DRS) statement (a "**Registered Shareholder**"). As a Registered Shareholder, you are identified on the share register maintained by the Company's register and transfer agent, Computershare Trust Company of Canada, as being a Shareholder.

Accompanying this Information Circular is the form of proxy for holders of Common Shares. **The persons named in the enclosed form of proxy are directors or officers of the Corporation. A Registered Shareholder has the right to appoint a person (who need not be a Shareholder) to represent such Registered Shareholder at the Meeting other than the persons designated in the form of proxy provided by the Corporation.** To exercise this right, the Registered Shareholder should insert the name of the desired representative in the blank space provided in the form of proxy or submit another appropriate form of proxy. In order to be effective, a proxy must be forwarded so as to reach, or be deposited with, the Corporation's registrar and transfer agent, Computershare Trust Company of Canada, at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department or by fax at 1-866-249-7775 (within North America) or at 1-416-263-9524 (outside North America), not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment or postponement thereof; provided that the Chairperson of the Meeting may, in his or her sole discretion, at the Meeting, elect to waive the requirement that proxies be deposited prior to the aforementioned time and accept any and all proxies deposited at or before the time of the Meeting or any adjournment or postponement thereof.

A Registered Shareholder may also vote by phone at 1-866-732-8683 (toll free within North America) or 1-312-588-4290 (outside North America), or by internet voting at www.investorvote.com. Votes by the internet must be received not later than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or any adjournment or postponement thereof. The internet may also be used to appoint a proxyholder to attend and vote at the Meeting on the Registered Shareholder's behalf and to convey a Registered Shareholder's voting instructions.

A Registered Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A Registered Shareholder may revoke a proxy by depositing an instrument in writing, executed by the Registered Shareholder or by the Registered Shareholder's attorney authorized in writing, or, if the Registered Shareholder is a corporation, by a duly authorized officer or attorney of the corporation:

1. at the offices of the registrar and transfer agent of the Corporation, Computershare Trust Company of Canada, at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, at any time, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment of the Meeting at which the proxy is to be used; or
2. at the registered office of the Corporation, Suite 1600, 333 - 7th Avenue SW, Calgary, Alberta T2P 2Z1, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
3. with the Chairperson of the Meeting on the day of the Meeting or an adjournment of the Meeting.

In addition, a proxy may be revoked by the Registered Shareholder executing another form of proxy bearing a later date and depositing same at the offices of the registrar and transfer agent of the Corporation not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment or postponement thereof, or by the Registered Shareholder personally attending at the Meeting and voting the Common Shares represented by the proxy or, if the Registered Shareholder is a corporation, by a duly authorized officer or attorney of such corporation attending at the Meeting and voting such Common Shares. Only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders (as defined herein) who wish to change their vote must arrange for their respective intermediary/broker to revoke the proxy on their behalf in accordance with any requirements of the intermediary/broker.

Advice to Beneficial Shareholders on Voting Their Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares or their proxyholders are permitted to vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions

from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting instruction form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting instruction forms to Broadridge. Often Beneficial Shareholders are alternatively provided with a toll-free telephone number to vote their shares or a website address where shares can be voted. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form or a proxy with a Broadridge sticker on it cannot use that voting instruction form or proxy to vote Common Shares directly at the Meeting. The voting instruction form or proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting.**

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as non-objecting beneficial owners or "NOBOs". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as objecting beneficial owners or "OBOs".

Pursuant to NI 54-101, the Corporation has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly to all Beneficial Shareholders. The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

The Corporation will be paying for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or an agent of the broker), a Beneficial Shareholder who wishes to attend the Meeting and indirectly vote its Common Shares as proxyholder for the Registered Shareholder should enter its own name in the blank space on the proxy form or voting instruction form provided to it and return the same to its broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Beneficial Shareholders should follow the instructions on the forms that they receive and contact their intermediaries promptly if they need assistance.

VOTING COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares and an unlimited number of preferred shares, of which 116,941,835 Common Shares and nil preferred shares are issued and outstanding.

The holders of Common Shares of record at the close of business on the record date, set by the directors of the Corporation to be November 10, 2020 (the "**Record Date**"), are entitled to vote such Common Shares at the Meeting on the basis of one (1) vote for each Common Share held, except to the extent that:

1. such person transfers his, her or its Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his, her or its ownership of the Common Shares,

and makes a demand to the registrar and transfer agent of the Corporation, not later than ten (10) days before the Meeting, that his, her or its name be included on the Shareholders list for the Meeting.

The by-laws of the Corporation provide that one (1) person present and representing in person or by proxy not less than ten percent (10%) of the outstanding Common Shares entitled to vote at the Meeting, constitutes a quorum for the Meeting.

To the knowledge of the directors and executive officers of the Corporation no person or company (other than securities depositories) beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice of Meeting. **However, if any other matter properly comes before the Meeting, the management designees, if named as proxy, will vote on such matter in accordance with the best judgment of the person or persons voting the proxy.**

I. Receipt of Financial Statements

The directors will place before the Meeting the audited financial statements of the Corporation for the year ended December 31, 2019 together with the auditors' report thereon. Shareholder approval is not required in relation to these

The board of directors of the Corporation (the "**Board**") presently consists of seven (7) directors. Each director elected at the Meeting will hold office until the next annual meeting of the Shareholders or until his or her successor is elected or appointed in accordance with the constating documents of the Corporation and the *Business Corporations Act* (Alberta) (the "**ABCA**"), unless his or her office is earlier vacated. **Unless otherwise directed, the management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the resolution setting the number of directors to be elected at the meeting at seven (7) members.**

III. Election of Directors

The following table sets out the names and places of residence of the persons proposed to be nominated by management for election as directors of the Corporation; all positions and offices in the Corporation held by them; their current principal occupation; the periods during which they have served as a director of the Corporation; and the number of Common Shares beneficially owned, or controlled or directed, directly or indirectly, by them, as of the date hereof. Cease Trade Orders

Other than as disclosed below, no proposed director of the Corporation is, as at the date hereof, or has been, within 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Al J. Kroontje was a director of Cobalt Coal Ltd. ("**Cobalt**") from October 2009 until February 7, 2014. On October 5, 2012, the Alberta and British Columbia Securities Commissions issued cease trade orders as a result of Cobalt's failure to meet a deadline to file an updated technical report, compliant with National Instrument 43-101 – Standards of Disclosure for Mineral Projects. The technical report was filed on the SEDAR website on November 15, 2012 and the commissions issued a full revocation on their respective trade orders on November 27, 2012.

Mr. Kroontje was appointed as a director of Whitemud Resources Inc. ("**Whitemud**") in August, 2011 pursuant to a court approved restructuring of Whitemud which was initiated by Mr. Kroontje. Prior to his appointment, certain cease trade orders issued by the BC Securities Commission, the Alberta Securities Commission, the Autorité des marchés financiers (Quebec), the Ontario Securities commission and the Manitoba Securities Commission were already in place for failure to file financial statements and certain other continuous disclosure documents. The cease trade orders were subsequently revoked by all of those agencies between April 3, 2013 and April 5, 2013 as a result of the successful restructuring of the affairs of Whitemud. Mr. Kroontje was not involved with Whitemud when it failed to file the required continuous disclosure documents that resulted in the cease trade orders.

Bankruptcy

Other than as disclosed above, no proposed director of the Corporation is, as at the date hereof, or has been within 10 years before the date hereof, a director or executive officer of a company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Personal Bankruptcy

No proposed director of the Corporation has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

Penalties and Sanctions

No proposed director of the Corporation has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

IV. Appointment of Auditors

MNP LLP have been the auditors of the Corporation since their appointment on March 30, 2015. At the Meeting, the Shareholders will be asked to reappoint MNP LLP as auditors of the Corporation to serve until the close of the next annual meeting of Shareholders and to authorize the directors to fix their remuneration.

Unless otherwise directed, the management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the appointment of MNP LLP as auditors of the Corporation at remuneration to be fixed by the Board.

V. Approval of Stock Option Plan

The TSX Venture Exchange Inc. (the "**Exchange**") requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such plan on an annual basis. Shareholders will be asked at the Meeting to vote on a resolution to approve, for the ensuing year, the current stock option plan of the Corporation (the "**Plan**") as described below.

The Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation non-transferable options ("**Options**") to purchase Common Shares. The purpose of the Plan is to provide an incentive to the directors, officers, employees, consultants and other personnel of the Corporation to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract to and retain in the employ of the Corporation, persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

The number of Common Shares reserved for issuance under the Plan may not exceed ten percent (10%) of the issued and outstanding Common Shares from time to time. The period during which Options granted under the Plan are exercisable may not exceed ten years from the date such Options are granted. In addition, the number of Common Shares reserved for issuance to any one person may not exceed five percent (5%) of the issued and outstanding Common Shares, and the number of Common Shares reserved for issuance to consultants or employees conducting Investor Relations Activities (as such term is defined by the Exchange) may not exceed 2% of the issued and outstanding Common Shares in any twelve (12) month period.

Pursuant to the Plan, the Board determines the price per Common Share and the number of Common Shares which may be allotted to each director, officer, employee and consultant and all other terms and conditions of the Options, subject to the rules of the Exchange. The price per Common Share set by the Board may not be less than the last closing price of the Common Shares on the Exchange prior to the date on which such Options are granted, less the applicable discount permitted (if any) by the Exchange.

If a holder of Options ceases to be a director, officer, employee or consultant of the Corporation for any reason other than death, such holder may, but only within the later of: (i) 12 months after the completion of the Corporation's qualifying transaction; and (ii) ninety (90) days after the holder's ceasing to be a director, officer, employee or consultant (or 30 days in the case of a holder engaged in Investor Relations Activities), or prior to the expiry date of the Options, whichever is earlier, exercise any Options held by the holder, but only to the extent that the holder was entitled to exercise the Options at the date of such cessation. In the event of the death of a holder of Options, the options previously granted to such holder will be exercisable within one (1) year following the date of the death of the holder or prior to the expiry date

of the Options, whichever is earlier, but only to the extent that the holder was entitled to exercise the Options at the date of such holder's death.

At the Meeting, the Shareholders will be asked to consider and, if thought fit, pass, with or without variation, the following resolution to approve the Plan.

"BE IT RESOLVED as an ordinary resolution of the shareholders of Lithium Chile Inc. (the "**Corporation**") that:

1. the stock option plan (the "**Plan**") of the Corporation in the form of the Plan attached as Schedule "A" to the management information circular of the Corporation dated November 10, 2020, be and is hereby approved with such modifications as may be required by the TSX Venture Exchange;
2. the maximum number of common shares of the Corporation which may be issued under the Plan shall be equal to ten percent (10%) of the then issued and outstanding common shares of the Corporation from time to time; and
3. any director or officer of the Corporation be and is hereby authorized and directed to do and perform all such acts and things and to execute and deliver or cause to be delivered, for, in the name of and on behalf of the Corporation (whether under the seal of the Corporation or otherwise) all such agreements, instruments and other documents as in such individual's opinion may be necessary or desirable to perform the terms of this resolution."

The resolution must be approved by a simple majority approval of the votes cast at the Meeting by the holders of Common Shares. If the Plan is not approved by the Shareholders, the Corporation will have to consider other methods of compensating and providing incentives to directors, officers, employees and consultants.

Unless otherwise directed, the management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the resolution to approve the Plan.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

For the purpose of this section, a "**CEO**" or "**CFO**" means each individual who acted as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity, for any part of the most recently completed financial year. A "**Named Executive Officer**" or "**NEO**" means (a) each CEO; (b) each CFO; (C) each of the three (3) most highly compensated executive officers of the Corporation, including any subsidiary, or the three (3) most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year.

Compensation Governance

It will be the responsibility of the Board as a whole to make decisions regarding executive compensation matters. The Corporation's compensation program will be intended to support its commitment to delivering strong performance for Shareholders. The Corporation's overall objective of its compensation philosophy will be the attraction, motivation and retention of quality, experienced people to achieve the Corporation's strategic objectives and to align the interests of its executive officers and employees with the long-term interest of the Shareholders.

All of the components of the Corporation's executive compensation program will be reviewed and confirmed by the Board following the Meeting.

It is currently contemplated that executive compensation will be comprised of the following components: (i) base salary, (ii) bonus and (iii) incentive stock options. Together, these components are designed to address the key objectives of the Corporation's compensation program.

Compensation Objectives and Philosophy

The Board believes that the Corporation should provide a compensation package that will be competitive and motivating, that will attract, hold and inspire qualified executives, that will encourage performance by executives to enhance the growth and development of the Corporation and that will balance the interests of the executives and the Shareholders. Achievement of these objectives is expected to contribute to an increase in Shareholder value.

Components of Compensation

It is expected that the Corporation will provide its executive officers with both fixed compensation, comprised of base salary, and performance-based variable incentive compensation, comprised of short-term incentives in the form of annual cash bonuses and long-term incentives in the form of Options under the Plan.

Base Salaries

Base salary will be designed to provide income certainty and to attract and retain executives, and therefore will be based on the assessment of a number of factors such as current competitive market conditions, compensation levels within the peer group and factors particular to the executive, including individual performance, the scope of the executive's role with the Corporation and retention considerations.

Short-Term Incentive Compensation - Bonuses

In addition to base salary, the Corporation may award executives with short term incentive awards in the form of annual cash bonuses. Annual cash bonuses are intended to provide short-term incentives to executives and to reward them for their yearly individual contribution and performance of personal objectives in the context of overall annual corporate performance. It is expected that the amount will not be pre-established and will be at the discretion of the Board. While it is expected there will be no target amount for annual cash bonuses, the Board will review similar factors as those discussed above in relation to base salary.

Long-Term Incentive Compensation - Options

Long-term incentive compensation will be provided through the granting of Options under the Plan. Equity incentive awards will be designed to motivate executives to achieve long-term sustainable business results, align their interest with those of Shareholders and to attract and retain executives. Awards will be based on a variety of factors, such as the need to attract or retain key individuals, competitive market conditions and internal equity. Previous grants will be taken into account when considering new grants.

Please refer to "Particulars of Matters to be Acted Upon – Approval of Stock Option Plan" above for a description of the material features of the Plan.

Compensation Policies and Risk Management

The Board recognizes that certain elements of compensation could promote unintended inappropriate or excessive risk-taking behaviours; however, the Corporation will seek to ensure that executive compensation packages appropriately balance short-term incentives, in the form of base salaries, and long-term incentives, in the form of option-based awards. As a result of the factors discussed above, the Board does not believe that its compensation policies and practices will be reasonably likely to have a material adverse effect on the Corporation.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance refers to the policies and structure of the board of directors of a corporation, whose members are elected by and are accountable to the shareholders of the corporation. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are in the interests of Shareholders and help to contribute to effective and efficient decision-making.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "CSA") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101"), which prescribes certain disclosure by the Corporation of its corporate governance practices. This disclosure is presented below.

Board of Directors

NI 58-101, when taken together with Section 1.4 of NI 52-110, provides that a member is "independent" if the member has no direct or indirect material relationship with the issuer, a "material relationship" being one which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment.

The Board is currently comprised of six (6) members, of which two (2) are independent directors for the purposes of NI 58-101. The independent directors are Kenneth Booth and Kenneth DeWyn. Al J. Kroontje is considered to not be independent as a result of being the Chairman of the Corporation; Terence Walker is considered to not be independent as a result of being the Vice President – Exploration of the Corporation; Steve Cochrane is considered to not be independent as a result of being President and Chief Executive Officer of the Corporation; and Jose de Castro is considered to not be independent as a result of being Manager – Lithium Operations of the Corporation. Management is nominating the same six (6) individuals for election to the Board at the Meeting, plus an additional independent director.

The Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Corporation's activities and to provide relevant information concerning the industry in which the Corporation operates in order to identify and manage risks. The Board is responsible for monitoring the Corporation's senior officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directorships

Other than as set forth below, none of the directors hold directorships in other reporting issuers (or the equivalent) in jurisdictions in Canada or a foreign jurisdiction.

<u>Director</u>	<u>Other Reporting Issuers</u>
Al J. Kroontje	Kairos Metals Corp. Whitemud Resources Inc. Tailwind Capital Corporation Big Dougie Capital Corp.
Kenneth DeWyn	PetroFrontier Corp.
Terence Walker	Kairos Metals Corp. Big Dougie Capital corp.
Kenneth Booth	Angkor Resources Corp. Heliostar Metals Ltd. Gitennes Exploration Inc.

Orientation and Continuing Education of Board Members

While the Corporation currently has no formal orientation and education program for new Board members, sufficient information (such as policies, recent financial statements, prospectuses, proxy solicitation materials, filing statements, marketing and business plans and various other operating, financial and budget reports) will be provided to any new Board member to ensure that new directors are familiarized with the Corporation's business and the procedures of the

Board. In addition, new directors will be encouraged to visit and meet with management on a regular basis and are given the opportunity to meet with counsel to the Corporation to discuss their legal obligations. The Corporation will also encourage continuing education of its directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Corporation.

Measures to Encourage Ethical Business Conduct

The Board encourages and promotes a culture of ethical business conduct through communication and supervision as part of its overall stewardship responsibility. The Board is of the view that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Board Members

The Board will consider its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. While there are no specific criteria for Board membership, the Corporation will attempt to attract and maintain directors with appropriate knowledge and skills which would assist in guiding the officers of the Corporation.

Compensation of Directors and Officers

The Board is responsible for determining compensation payable to executive officers and directors of the Corporation. The Board has determined at this time not to establish a compensation committee. See "*Statement of Executive Compensation*".

Other Board Committees

The Corporation has no standing committees at this time, other than the Audit Committee.

Assessment of Directors, the Board and Board Committees

The Board have not implemented a formal process for assessing its effectiveness or the effectiveness of its individual members or its committees. As a result of the Corporation's size, its stage of development and the limited number of individuals on the Board, the Board consider a formal assessment process to be unnecessary at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

To the knowledge of the Corporation, no director or officer of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any other insider of the Corporation, nor any associate or affiliate of any one of them has or has had, at any time since the beginning of the year ended December 31, 2019, any material interest, direct or indirect, in any transaction or proposed transaction that has materially affected or would materially affect the Corporation or any of its subsidiaries.

LEGAL PROCEEDINGS

The directors and senior officers of the Corporation are not aware of any material litigation outstanding, threatened or pending, as of the date hereof by or against the Corporation.

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the "**Stock Option Agreement**"). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which shall be the date of the expiry of the Option Period (the "**Expiry Date**"), subject to earlier termination as provided in Sections 10 and 11 hereof.

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, subject to Sections 10 and 11 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Common Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, including, without limitation, the 1933 Act, the *United States Securities and Exchange Act of 1934, as amended*, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require, among other things, that the person exercising such Option to represent and warrant at the time of any such exercise that the Common Shares are being purchased only for investment and without any present intention to sell or distribute such Common Shares if, in the opinion of counsel for the Corporation, such a representation is required by law.

No Option granted pursuant to this Plan may be exercised before the completion of the Qualifying Transaction unless the Optionee agrees in writing to deposit the shares acquired into escrow until the issuance of the Final Exchange Bulletin (as defined in Policy 2.4).

10. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be a director, officer, Employee or Consultant of the Corporation or its subsidiaries for any reason other than death, the Optionee may, but only within the later of: (i) 12 months after the completion of the Qualifying Transaction (as defined in Policy 2.4) by the Corporation; and (ii) a maximum of one (1) year after the Optionee's ceasing to be a director, officer, Employee or Consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an Employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an Employee for the purposes of this Plan.

11. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death.

12. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under this Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of this Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

13. Takeover or Change of Control

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

14. Anti-Dilution of the Option

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;
- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change;
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

15. Costs

The Corporation shall pay all costs of administering this Plan.

16. Termination and Amendment

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any

relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.

- (b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 16(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Corporation if required by the Exchange or such regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.
- (c) This Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

17. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein.

18. Prior Plans

On the effective date (as set out in Section 19 hereof), subject to Exchange approval and, if required, shareholder approval:

- (a) this Plan shall entirely replace and supersede prior stock option plans, if any, enacted by the Corporation; and
- (b) all outstanding options shall be deemed to be granted pursuant to this Plan.

19. Effective Date

This Plan shall become effective as of and from, and the effective date of this Plan shall be February 9, 2018 upon receipt of all necessary shareholder and regulatory approvals.

20. Legends on Hold Periods

If required by the Exchange policies or applicable securities laws, the Common Shares issued on exercise of the Options will be legended.

AUDIT COMMITTEE'S ROLE

The Audit Committee has the oversight role set out in this Charter. Management, the Board of Directors, the independent auditor and the internal auditor all play important roles in respect of compliance and the preparation and presentation of financial information. Management is responsible for compliance and the preparation of financial statements and periodic reports. Management is responsible for ensuring the Corporation's financial statements and disclosures are complete, accurate, in accordance with generally accepted accounting principles and applicable laws. The Board of Directors in its oversight role is responsible for ensuring that management fulfills its responsibilities. The independent auditor, following the completion of its annual audit, opines on the presentation, in all material respects, of the financial position and results of operations of the Corporation in accordance with Canadian generally accepted accounting principles.

FUNDING FOR THE INDEPENDENT AUDITOR AND RETENTION OF OTHER INDEPENDENT ADVISORS

The Corporation shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of issuing an audit report and to any advisors retained by the Audit Committee. The Audit Committee shall also have the authority to retain such other independent advisors as it may from time to time deem necessary or advisable for its purposes and the payment of compensation therefor shall also be funded by the Corporation.

APPROVAL OF AUDIT AND REMITTED NON-AUDIT SERVICES PROVIDED BY EXTERNAL AUDITORS

Over the course of any year there will be two levels of approvals that will be provided. The first is the existing annual Audit Committee approval of the audit engagement and identifiable permitted non-audit services for the coming year. The second is in-year Audit Committee pre-approvals of proposed audit and permitted non-audit services as they arise.

Any proposed audit and permitted non-audit services to be provided by the External Auditor to the Corporation or its subsidiaries must receive prior approval from the Audit Committee, in accordance with this protocol. The Chief Financial Officer shall act as the primary contact to receive and assess any proposed engagements from the External Auditor.

Following receipt and initial review for eligibility by the primary contacts, a proposal would then be forwarded to the Audit Committee for review and confirmation that a proposed engagement is permitted.

In the majority of such instances, proposals may be received and considered by the Chair of the Audit Committee (or such other member of the Audit Committee who may be delegated authority to approve audit and permitted non-audit services), for approval of the proposal on behalf of the Audit Committee. The Audit Committee Chair will then inform the Audit Committee of any approvals granted at the next scheduled meeting.
