

Lithium Chile Announces Closing of the Final Tranche of its Private Placement

/NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES/

TSX Venture Exchange: "LITH"

Private Placement

CALGARY, March 29, 2018 /CNW/ - Lithium Chile Inc. ("**Lithium Chile**" or the "**Corporation**") is pleased to announce that it has, subject to TSX Venture Exchange Inc. (the "**TSXV**") final approval, closed the third and final tranche of its previously announced non-brokered private placement (the "**Private Placement**") of units of the Corporation ("**Units**"), pursuant to which, Lithium Chile issued an aggregate of 134,000 Units for gross proceeds of CDN\$134,000 (the "**Final Tranche**"). Each Unit is comprised of one (1) common share in the capital of the Corporation (a "**Common Share**") and one-half (1/2) of one common share purchase warrant of the Corporation (a "**Warrant**"). Each whole Warrant entitles the holder thereof to purchase one (1) Common Share at a price of \$1.50 per share expiring two (2) years from the date of issuance.

In connection with the closing of the Final Tranche, Lithium Chile has paid finders a cash commission of 7% of the proceeds of the Final Tranche that resulted from such party's efforts, subject to compliance with applicable securities laws. The finders have also been granted broker warrants to purchase 7% of the number of Common Shares sold under the Final Tranche as a result of such parties efforts, which resulted in Lithium Chile issuing an aggregate 9,380 broker warrants. Each broker warrant entitles the holder to purchase one Common Share at a price of CDN\$1.00 for a period of eighteen (18) months from the closing of the Second Tranche.

The net proceeds of the Final Tranche and the Private Placement will be used by the Corporation for general working capital and to fund continued development and exploration activities on its Lithium properties in Chile.

Pursuant to applicable securities laws, all securities issued pursuant to the Final Tranche will be subject to a hold period of four months plus one day following the date of issuance of such securities.

Completion of the Final Tranche and the Private Placement is subject to certain conditions, including but not limited to, final approval of TSXV.

About Lithium Chile

Lithium Chile Inc. is advancing a Lithium property portfolio consisting of 140,100 hectares covering sections of 13 salars and 1 laguna complex in Chile. The properties include 56 square kilometres on the Salar de Atacama which hosts the world's highest concentration Lithium brine production and is currently the source of about 30% of the world's Lithium production. Lithium Chile also owns a significant Copper/Gold/Silver property portfolio consisting of 28,184 hectares over 6 different properties located in Chile. Lithium Chile Inc.'s common shares are listed on the TSX-V under the symbol "LITH".

Reader Advisory

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.

Forward Looking Statements

*This news release may contain certain forward-looking information and forward-looking statements within the meaning of applicable securities legislation (collectively "**forward-looking statements**"). Generally, forward-looking information can be identified by the use of forward-looking terminology such as "expects", "believes", "aims to", "plans to" or "intends to" or variations of such words and phrases or statements that certain actions, events or results "will" occur. In particular, this news release contains forward-looking statements relating to, among other things: management of the Corporation's views regarding its existing properties and the Lithium Claims and the ability of the Corporation to explore its existing properties and the Lithium Claims and statements pertaining to the Private Placement, including the Corporation's ability to obtain necessary approvals from the TSXV and the ability of the Corporation to close of the third tranche of the Private Placement for some or all of the remaining Units.*

Various material factors and assumptions are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking statements. Those material factors and assumptions are based on information currently available to the Corporation, including information obtained from third party industry analysts and other third party sources. In some instances, material assumptions and material factors are presented elsewhere in this news release in connection with the forward-looking statements. You are cautioned that the following list of material factors and assumptions is not exhaustive. Specific material factors and assumptions include, but are not limited to: the general stability of the economic and political environment in which the Corporation operates; the timely receipt of required regulatory approvals; the ability of the Corporation to obtain future financing on acceptable terms; currency, exchange and interest rates; operating costs; and the success the Corporation will have in exploring its prospects and the results from such prospects. Accordingly, readers should not place undue reliance on forward-looking statements. The Corporation does not undertake to update any forward-looking statements herein, except as required by applicable securities laws. All forward-looking statements contained in this press release are expressly qualified by this cautionary statement.
