BTV-Business Television and CEO Clips produce and create the largest library of issuer videos and campaigns for broadcast on TV and financial sites. Contact info@b-tv.com.

Lithium Chile also announces that it has entered into a consulting agreement (the “**Agreement**”) with a third party (the “**Provider**”) for the purposes of providing the Company with a social media presence. Pursuant to the Agreement, the Provider will establish, maintain and update the Company’s social media accounts on a regular basis. The Agreement is for one year and the Provider will be paid in four instalments of \$36,0000. The Company has agreed to pay the Provider in common shares of the Company (the “**Shares**”), and the Company will pay the first two instalments by issuing 211,764 Shares at a deemed price of \$0.34 per Share, and the remaining two instalments will be paid in Shares using the discounted market price on the date of issuance.

Completion of the Agreement is subject to regulatory approval including, but not limited to, the approval of the TSX Venture Exchange. The securities issued pursuant to the Agreement are subject to a four month hold period from the date of issuance.

About Lithium Chile:

Lithium Chile is advancing a lithium property portfolio consisting of 71,900 hectares covering sections of 10 salars and two laguna complexes in Chile.

Lithium Chile also owns 5 properties that are prospective for gold, silver and copper. Exploration efforts are continuing on Lithium Chile’s Carmona gold/silver/copper property which lies in the heart of the Chilean mega porphyry gold/ silver/copper belt.

Lithium Chile’s common shares are listed on the TSX-V under the symbol “**LITH**” and on the OTC-BB under the symbol “**LTMCF**”.

Forward Looking Statements

This news release may contain certain forward-looking information and forward-looking statements within the meaning of applicable securities legislation (collectively "forward-looking statements"). Generally, forward-looking information can be identified by the use of forward-looking terminology such as "expects", "believes", "aims to", "plans to" or "intends to" or variations of such words and phrases or statements that certain actions, events or results "will" occur.

You are cautioned that the following list of material factors and assumptions is not exhaustive. Specific material factors and assumptions include, but are not limited to: the general stability of the economic and political environment in which the Company operates; the timely receipt of required regulatory approvals; the ability of the Company to obtain future financing on acceptable terms; currency, exchange and interest rates; operating costs; the success the Company will have in exploring its prospects and the results from such prospects. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not undertake to update any forward-looking statements herein, except as required by applicable securities laws. All forward-looking statements contained in this news release are expressly qualified by this cautionary statement.
