

LITHIUM CHILE ANNOUNCES PROPOSED PRIVATE PLACEMENT

*NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES
OR FOR DISSEMINATION IN THE UNITED STATES*

TSX Venture Exchange: LITH
OTC-BB: LTMCF

For Immediate Release

CALGARY, ALBERTA, October 25, 2021 – Lithium Chile Inc. (“**Lithium Chile**” or the “**Company**”) announces that it plans to complete a non-brokered private placement of up to 4,166,667 units of the Company (“**Units**”) at a price of \$0.60 per Unit, for aggregate gross proceeds of up to \$2,500,000. (the “**Offering**”), after receiving sizeable unsolicited interest from investors based in Europe. There is no minimum Offering. Each Unit will be comprised of one (1) common share of the Company (“**Common Share**”) and one (1) Common Share purchase warrant (“**Warrant**”). Each Warrant shall be exercisable at \$0.75 per Common Share for a period of 24 months from the date of closing of the Offering. Lithium Chile may pay a cash commission or finder's fee to qualified non-related parties of up to 5% of the gross proceeds of the Offering. The proceeds of the Offering will be used for working capital and to pay the expenses of the Offering.

The Offering is being offered to all of the existing shareholders of the Company who are permitted to subscribe pursuant to the Existing Shareholder Exemption. The Company anticipates that the Offering will close on or around November 5, 2021. Any existing shareholders interested in participating in the Offering should contact the Company pursuant to the contact information set forth below.

The Company has set October 20, 2021 as the record date for determining existing shareholders entitled to subscribe for Units pursuant to the Existing Shareholder Exemption. Subscribers purchasing Units under the Existing Shareholder Exemption will need to represent in writing that they meet certain requirements of the Existing Shareholder Exemption, including that they were, on or before the record date, a shareholder of the Company and continue to be a shareholder as at the closing date. The aggregate acquisition cost to a subscriber under the Existing Shareholder Exemption cannot exceed \$15,000 in a 12-month period unless that subscriber has obtained advice regarding the suitability of the investment and, if the subscriber is resident in a jurisdiction of Canada, that advice has been obtained from a person that is registered as an investment dealer in the jurisdiction.

As the Company is also relying on the Exemption for Sales to Purchasers Advised by Investment Dealers, it confirms that there is no material fact or material change about the Company which has not been generally disclosed. In addition to offering the Units pursuant to the Existing Shareholder Exemption and the Exemption for Sales to Purchasers Advised by Investment Dealers, the Units are also being offered pursuant to other available prospectus exemptions, including sales to accredited investors. Unless the Company determines to increase the gross proceeds of the Offering, if subscriptions received for the Offering based on all available exemptions exceed the maximum Offering amount of \$2,500,000, Units will be allocated on a first come, first served basis.

Completion of the Offering is subject to regulatory approval including, but not limited to, the approval of the TSX Venture Exchange. The Common Shares and Warrants issued under the Offering will be subject to a four month hold period from the date of the closing of the Offering.

Forward Looking Statements

This news release may contain certain forward-looking information and forward-looking statements within the meaning of applicable securities legislation (collectively "forward-looking statements"). Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "expects", "anticipates", "aims to", "plans to" or "intends to" or variations of such words and phrases or statements that certain actions, events or results "will" occur. In particular, this news release contains forward-looking statements relating to, among other things: the closing of the Offering; the use of proceeds from the Offering; and the Company's ability to obtain necessary approvals from the TSX Venture Exchange. Such forward-looking statements are based on various assumptions and factors that may prove to be incorrect, including, but not limited to, factors and assumptions with respect to: the general stability of the economic and political environment in which the Company operates; the timely receipt of required regulatory approvals; the ability of the Company to obtain future financing on acceptable terms; currency, exchange and interest rates; operating costs; the success the Company will have in exploring its prospects and the results from such prospects. You are cautioned that the foregoing list of material factors and assumptions is not exhaustive. Although the Company believes that the assumptions and factors on which such forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company can give no assurance that they will prove to be correct or that any of the events anticipated by such forward-looking statements will transpire or occur, or if any of them do so, what benefits the Company will derive there from. Actual results could differ materially from those currently anticipated due to a number of factors and risks including, but not limited to: fluctuations in market conditions, including in securities markets; economic factors; the risk that the Offering will not be completed as anticipated or at all, including the risk that the Company will not receive the approvals necessary in connection with the Offering; and the impact of general economic conditions and the COVID-19 pandemic. The Company does not undertake to update any forward-looking statements herein, except as required by applicable securities laws. All forward-looking statements contained in this news release are expressly qualified by this cautionary statement.
